Grace Bond Breaks Two World's Records

She Is Likewise Disputing the Title for Third World's Mark at Lexington.

Lexington, Ky., Oct. 4.—Grace Bond broke at least two world's records to win the classic Kentucky Futurity, worth \$14,000, and is disputing the title for a third world's record. She gave two of the heats of the race to Alta Axworthy, the prime favorite, but made her own three heats in 2:09 1/4, or better, thus establishing a world's record for three-year-old trotters. Two of the heats she made in 2:04 1/4, establishing a world's three-year-old record for two heats. When she made the first heat in 2:04 1/4, Starter Walker announced that she had broken a world's record. Fantasy at Nashville in 1933 trotted a mile as a three-year-old in 2:04 1/4, in the second heat of a race, but under unusual conditions. In order to allow her to make a record the distance had been moved and a packmaker placed her up at the half-mile and she went under the wire while the bunch was turning the stretch.

Grace Bond's fractional time in her three first heats was: First heat—2:04 1/4, 1:34 1/4, 2:04 1/4. Second heat—2:04 1/4, 1:34 1/4, 2:04 1/4. Fifth heat—2:04 1/4, 1:34 1/4, 2:04 1/4.

Grace Bond had the third heat of the race won until she broke at the distance 2:04 1/4, 2:04 1/4, 2:04 1/4. She never lost her place as favorite, the pool for the fifth heat being Alta Axworthy, \$20; field, \$10.

The race was worth \$10,000 to the winner, \$3,000 to the second and \$1,000 to third, the remainder being divided among the nominees. The race was started at 2:04 1/4, 2:04 1/4, 2:04 1/4, made by Ferrell in 1930. Grace Bond won the two-year-old division of the Futurity last year in 2:17 1/4. She is owned by J. V. Gatecomb.

Results: 1st race, purse \$200, Tennessee stakes, 2 in 5—John M. won three straight heats in 2:04, 2:04 1/4, 2:04 1/4. Morning Star, Angus Pointer, Red Bird and Dry Monopole also started.

Kentucky Futurity for three-year-old division, purse \$14,000, 3 in 5—Grace Bond won the first, second and third heats in 2:04 1/4, 2:04 1/4, 2:04 1/4. Alta Axworthy won the third and fourth heats in 2:11 1/4, 2:13 1/4. Futura, Jessie Benton, Lord Revela, Altona and Prince Edith also started.

2:06 class race, purse \$120, 2 in 3—King Diver won the second and third heats in 2:07 1/4, 2:08 1/4. Fairview, 2 in 3—Tom Axworthy won the first and second heats in 2:04 1/4, 2:05 1/4. Lady Patch, Kinley Mac, Redwood, Diadem, Union Medium Jr., Governor McCauley, Red Arthur, J. S. Caldwell and Wild Wilton also started.

CABLE TO VALDEZ.

Alaskan Telegraph System Is at Last Completed.

WASHINGTON, Oct. 4.—Gen. Greeley has received a dispatch from Maj.-Gen. Edgar Russell of the signal corps, announcing that the Burnside, which has been engaged in laying a cable from Valdez, Alaska, buoyed the eastern cable end at the mouth of Sitka harbor on Monday afternoon. It will require several days to make the shore and connections in the narrow passage of Sitka harbor and throw open the cable to commercial business.

This completes the Alaskan telegraph system, which has been under construction for the past three years, during which time about four thousand miles of land lines and four thousand miles of submarine cables have been constructed and laid, and it brings the Nome and Bering strait regions in direct communication with the United States over an all-American route. This system contains the first submarine cable of American manufacture.

GOOD RACES FOR THE FIRST DAY

One State Record Was Broken.

Starter Harington Was Too Easy With the Drivers, Said Some.

Crabapple and Julia A. United in Cutting Down Time for Trotting and Pacing Heat Race.

Good sport was given the thousands who witnessed the first day's racing at the State fair yesterday. The races were far better than is usually seen at a first day's meet, and the State record for a heat race was broken in the 2:30 trot and pace, when an average time of 2:17 1/4 in four heats was made.

In the judges' stand were G. H. Harington, starter; R. McKenzie and George W. Putnam, judges; and G. W. Shores and Tom Harris, timers.

America made a procession of every heat of the 2:30 trot, winning in straight heats and having her lead trailing in the second and third.

Crabapple laid up the first heat in the second race, getting inside the money at the last by a sport that landed him trailing by a half length. His driver brought him to the front and he won the next three heats handsly.

Too much time was wasted in the scoring, Starter Harington being too easy with the drivers, and allowing the long-winded horses too much leeway in scoring down far back of the pole horse.

Susanne took the seven-eighths dash, trailing his field by five lengths and winning pulled up.

Bourbon won the three-eighths dash by two good lengths, with Dinah Watts an easy second. The fight for third money was a pretty one, Fat L. winning by a nose.

ABSENCE OF COURTESY.

London Graphic Apologizes for Treatment American Squadron.

LONDON, Oct. 5.—The Daily Graphic alludes editorially to the absence of any polite courtesy toward the officers and men of the American European squadron, which arrived at Gravesend September 24, and which it excuses on the ground that London is so huge that it is difficult to organize collective action. The paper urges that the opportunity should not be lost to display rational good will, and suggests that if the leading naval men of London or of the service clubs would take up the matter and organize an entertainment committee ample support would be immediately forthcoming to secure the success of the movement.

The American vessels now at Gravesend are the cruisers Olympic, Cleveland and Des Moines, Rear-Admiral Jewell in command.

Too Much Importance Has Been Given the Matter.

WASHINGTON, Oct. 4.—One of the first results of the return of Secretary Hay to Washington was the closing of the incident growing out of the arrest of Secretary Gurney of the British embassy at Lee Mass.
